THIRTEENTH ANNUAL LIVER SYMPOSIUM

Doubletree Hotel - San Jose
2050 Gateway Place
San Jose, CA 95110
25 September 2010

Educational Objectives

At the conclusion of the liver symposium, participants should have:

1. Increased understanding of the latest updates in the treatment and management of patients with chronic hepatitis B.
2. Increased awareness of the diagnosis and treatment guidelines for hepatocellular carcinoma.
3. Increased competency in the management of patients with cirrhosis.

WHO SHOULD ATTEND

This program has been planned for primary care physicians, gastroenterologists, infectious disease specialists, nurse practitioners, pharmacists, and physician assistants. Other health professionals may find the program helpful and are also welcome. The anticipated attendance is 120 health-care professionals. Space is limited.

CONTINUING MEDICAL EDUCATION

The Pacific Health Foundation is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. Other health care professionals may receive CME credit upon approval of equivalency as determined by their respective board. The Pacific Health Foundation takes responsibility for the content, quality and scientific integrity of this CME activity.

The Pacific Health Foundation designates this educational activity for a maximum of *4.0 AMA PRA Category 1 Credit(s)*TM. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education.
