UPDATED

10th ANNUAL LIVER SYMPOSIUM

Double Tree Hotel - San Jose

2050 Gateway Place
San Jose CA 95110

29 September 2007
8:00am - 1:00pm

UPDATED

EDUCATIONAL OBJECTIVES

At the conclusion of the symposium, participants should be able to:

- Formulate a practical approach to evaluation of abnormal liver tests.
- Identify appropriate patients for screening and treatment of chronic hepatitis B, including special population.
- Be familiar with the most updated diagnostic and treatment options for patients with chronic hepatitis C.

Who Should Attend

This program has been planned for primary care physicians, gastroenterologists, infectious disease specialists, nurse practitioners, and physician assistants. Other health professionals may find the program helpful and are also welcome. Anticipated attendance is 120 healthcare providers. Space is limited.

Continuing Medical Education

The Pacific Health Foundation is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. The Pacific Health Foundation takes responsibility for the content, quality and scientific integrity of this CME activity.

The Pacific Health Foundation designates this educational activity for a maximum of **4.0 AMA PRA Category 1 Credit(s)TM**. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education.
